B_SIDE

Lean volume, clear geometries and minimalistic material dimensions define the shape. B_Side, a visitors' chair with an extremely comfortable seat and an elastic backrest, comfortably upholstered seat, and an ergonomically shaped backrest. B_Side can be used in different areas: from cafeterias, to seminar and meeting rooms, to auditoriums.

Design: b4k, Andreas Krob

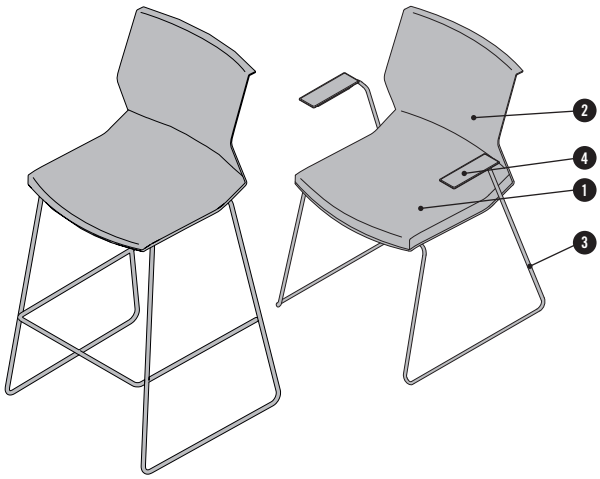
PRODUCT DESCRIPTION

B_Side is available as a chair and bar chair.



1. **Seat upholstery:** Ergonomically shaped seat upholstery made of flame-resistant polyurethane cold foam.
2. **Backrest:** Plastic shell made of polypropylene in black or white. Seat upholstery: Seat upholstery with fabric or leather covering. Full upholstery: Seat upholstery and backrest with fabric cover.
3. **Frame:** Skid frame in chrome or powder-coated in black. Can be ordered without castors for soft floors, with universal glides or felt glides.
4. **Armrests:** Plastic in white or black. With seat upholstery, the same colour as the backrest; with full upholstery, colour is freely selectable. The chair is available with/without armrests, the bar chair only without armrests.
