

# DELTA BY BENE DESIGN

Delta by Bene creates a friendly atmosphere for business: the cosy design is combined with wooden elements and well-engineered desk functions.

The Delta by Bene work desk is paired here with the RIYA swivel chair. With its organic, rounded shapes and softly flowing lines, RIYA offers a refreshing counterpoint to the standard technological form of most task seating systems. RIYA helps people to concentrate better and think more creatively – a swivel chair with a human touch.

*This promotion is valid only for table top sizes of 140/70 and 160/80.
