

# PIXEL SMALL

PIXEL may look like a box but it can also be a table, a bench or a shelf. The flexible building blocks can be quickly and easily assembled, dismantled or converted.

The set consists of 6 standard PIXEL Boxes, 2 PIXEL Boxes with a large opening on one side, and 2 PIXEL 180 mm Tops.

The complementing Bay Chair features a curved reclining back rest that enables you to adopt a variety of sitting positions. The backrest counterpressure is automatically regulated and the height adjustment is intuitively operable.
